GENERAL INFORMATION

CEDARVILLE COLLEGE

History.—At Duaneburgh, N. Y. in May of 1879, the General Synod of the Reformed Presbyterian Church decided to establish a Liberal Arts College. By the will of William Gibson, an elder in the First Presbyterian Church, Cincinnati, a bequest of \$25,000 was left in 1886 to found the college at Cedarville, Greene County, Ohio. A charter was obtained for "The Cedarville College in 1887." In May of 1894, the General Synod at Coulterville, Illinois, resolved to open Cedarville College on September 19, 1894. In 1928 the General Synod at Coulterville, Illinois by unanimous vote gave all control, ownership, title and vested property rights of Cedarville College to the Board of Trustees of Cedarville College and their successors forever. Since 1928, the Board of Trustees composed of Presbyterians have had full control and management of Cedarville College.

The Board of Trustees in accepting this responsibility obligated and pledged themselves and their successors to continue and maintain the principles and purposes for which Cedarville College was founded.

During the forty-one years of the actual operation of Cedarville College, thirty-seven classes have graduated. There are 577 alumni of whom 521 are living. The alumni are located in all parts of the United States and in several foreign countries. They are engaged successfully in all vocations and many of them have attained positions of influence and prominence.

Cedarville College has an honorary list of alumni numbering 82 of whom 61 are living. This makes the total list of alumni 659. Hundreds of students have taken partial courses in Cedarville College. Our students represent both sexes and all churches and during the years have come from nearly every state of the United States and from several foreign countries. One hundred percent of our student body are professed Christians.

Cedarville College has grown from a rented private house to four buildings and from a single plot of ground to three plots of ground. Its student body has increased from thirty-six in 1894 to over two hundred in 1935-1936. Its endowment fund has grown from \$25,000 to \$242,000. In 1913 the Theological Seminary of the Reformed Presbyterian Church was combined with Cedarville College. This combination added the use of \$75,000 to the College endowment fund, making the total endowment equivalent to \$317,000. The faculty has grown from

GENERAL INFORMATION

six to twenty-one. Cedarville College has gained a wide and worthy reputation for the character and thoroughness of its work.

Purpose.—Cedarville College was founded and is maintained to give a sound Christian training to both sexes, at the lowest possible cost to the student and with the supreme, constant effort to guide its students into the truth and into a service of the utmost benefit to humanity and the greatest glory to God.

Commendation.—The Presbyteries of Dayton, Columbus, Chillicothe and Portsmouth, of the Presbyterian Church, U.S.A., have unanimously commended Cedarville College to the consideration of parents who have children to educate and also to the generosity and liberality of the constituents of the respective presbyteries.

Location.—Cedarville College is located in Cedarville, Greene County, Ohio. The village of Cedarville is on the Pittsburgh, Columbus, Cincinnati, and St. Louis Railroad, one of the main lines of the Pennsylvania system. Good bus lines also run from Columbus, Dayton, Springfield, Cincinnati, Cleveland and all intermediate points to Cedarville. Cedarville is situated in the northern part of the far-famed Miami valley. It is the birthplace of the late ambassador Whitelaw Reid. It is noted for its fine public schools, good churches, sturdy citizens, and hospitable homes. An English editor wrote in a leading British newspaper that, "Cedarville is a Puritan oasis in America." It is a clean, safe and healthful place to get a college education.

GROUNDS AND BUILDINGS

Campus.—There are three plots to the campus of Cedarville College. The campus is beautifully shaded and attractive. It contains, besides the college buildings, a foot-ball field, a base-ball diamond, a hockey ground, and a tennis court. The trees of the campus were a gift from the late Whitelaw Reid. One part of the campus was a gift from W. J. Alford, Sr.

College Hall.—College Hall is the oldest building, erected in 1895. It contains recitation rooms, the chapel, the office, the halls for the Y. W. and Y. M. C. A. and the heating plant for the buildings of the main campus.

Alford Memorial Gymnasium.—Alford Memorial Gymnasium was given to Cedarville College by W. J. Alford in memory of his father and mother, Dr. and Mrs. John Alford formerly of Beaver Falls, Pennsylvania.

It has a seating capacity of one thousand. It has a basket-

ball floor, a kitchen fully furnished, a stage, dressing rooms, and a banquet hall.

Carnegie Library.—Carnegie Library was the gift of the late Honorable Andrew Carnegie. It has 10,000 volumes on its shelves. All the leading magazines and periodicals are on its reading tables. The library also contains the Refectory for the dining club and the Conservatory of Music, and a reception and literary hall.

Science Hall.—Science Hall was erected in 1922. It has the laboratories for Botany, Chemistry, Physics, and Zoology. The work of mechanical drawing is also carried on in Science Hall. The laboratories are well equipped for the sciences.

Girls' Dormitory.—A girls' dormitory is in the plan for new buildings.

Chapel.—A chapel is also included in the plan for new buildings. In addition to the chapel there will be annexes for offices for the various officers of the Faculty and administration. Each of these buildings is a challenge to men and women of means, who wish to invest their money in a cause which will perpetually minister to the needs of a true Christian College and give glory to God.

Music Studio.—The music studio is on the main floor of the Carnegie Library for students in all subjects of music except pipe organ. The three churches of Cedarville offer their pipe organs to students in music for practice and lessons.

Refectory.—The students have their boarding hall in Carnegie Library. A matron is in charge to purchase and prepare food. By this method good boarding is secured at about \$4 a week.

RELIGIOUS OPPORTUNITIES

Churches.—There are three churches in Cedarville: Methodist Episcopal, United Presbyterian, and First Presbyterian. Students are expected to attend the church designated by their parents, who are requested to send their written wishes as to which church their children shall attend. Students of all Christian denominations are welcomed.

Young Men's Christian Association.—The Young Men's Christian Association, of Cedarville College, was organized March 12, 1907. Like all similar societies, it extends the helping hand physically, intellectually, morally, and spiritually to all the young men, thereby aiming to develop the whole man in the truest and best sense.

Young Women's Christian Association.—The Young Women's Christian Association, of Cedarville College, was organ-

ized in 1909. It maintains all of those characteristic activities which have made this organization such a power for good among the college girls of America.

Chapel.—All students are required to attend religious services held in the college chapel three times a week. Worship consists of praise, prayer and reading of the scriptures.

STUDENT ACTIVITIES

Business Meetings.—The student body has its own organization and officers. They hold business meetings once a week as a whole and as classes, cabinets, and various other organizations and committees.

Literary Society.—The Philadelphian Society, organized in 1894 and the Philosophic in 1895, were both displaced by the Orange and Blue Club, organized in 1917. In the autumn of 1923, the former plan gained in favor and the Philosophic Society was revived. Fortnightly meetings, which are well supported, afford many opportunities for the development of literary, musical, and oratorical talent.

Debates.—Cedarville College engages in debates with colleges from three other states. Both men's and women's teams engage in these inter-collegiate debates from year to year.

Dramatics.—Plays, minstrels, and recitals are given throughout the year by various classes and organizations. These afford a splendid opportunity for the development of the dramatic ability of the students.

Dramatic Club.—Cedarville College has a Dramatic Club under the direction of Mrs. Heintz, head of the English Department. This is open to all men and women of the college and offers training in preparing and in presenting plays.

The Cedrus.—An illustrated college annual, The Cedrus, published by the students, crystallizes the activities of the year into permanent literary and pictorial form.

Whispering Cedars.—Whispering Cedars is the student paper edited and published by the students of the college.

Quartettes.—The college has one male and one female quartette. These quartettes are trained by the Director of the Department of Music. They visit high schools, churches and clubs in the interests of the college.

Mixed Chorus.—A mixed chorus of thirty-five voices is a feature of the Music Department. It offers advantages both pleasurable and profitable.

Glee Club.—Cedarville College has a Glee Club under the direction of Mrs. Work, head of the Department of Music. The

Glee Club represents the college in trips to high schools and churches. It provides excellent training in the development of the voice.

This club is open to all girls who can sing.

CONTESTS AND PRIZES

John Alford Prizes.—These prizes, established by the Rev. John Alford, D.D., a distinguished minister of the Reformed Presbyterian Church, and a trustee of Cedarville College, are now continued in his memory by his daughter, Miss Martha Alford, and awarded annually through the Cedarville College Crown Club for the attainment of high scholarship.

Bible Reading Contests.—Miss Margaret Belle Rife, of the Class of 1916, annually offers prizes of five, four, three, two, and one dollar for a girls' Bible reading contest held in April of each year. Rev. C. M. Ritchie, D.D., an honorary alumnus of the class of 1916, annually offers prizes of five, four, three, two, and one dollar for a men's contest held in November of each year.

J. Kenneth Putt Prize.—The Rev. Mr. J. Kenneth Putt, Rector of St. James Episcopal Church, Griggsville, Illinois, offers \$10.00 in prizes for essays in Apologetics.

SOCIAL ACTIVITIES

Socials.—It is the annual custom for each young peoples' society of the local churches to give a welcome social to the faculty and students of the college at the opening of the year. The various classes hold socials and have spreads. The faculty gives socials to the students. The president of the college gives an annual social to the faculty and students. At the close of the year the juniors tender a banquet to the seniors and the faculty.

GENERAL INFORMATION

Home Coming.—Each year, on the first Saturday evening of February, the home team plays a basketball game with a visiting college team following a dinner in the Alford Memorial Gymnasium. At this affair gather faculty, friends, students, and alumni of the college.

Alumni Meeting.—On the evening previous to Commencement Day, it is the custom for the alumni to hold their annual business meeting and dinner in the Alford Memorial Gymnasium. To this come friends, former students, faculty, students, and alumni. All of these affairs afford splendid opportunities for the highest type of social gatherings.

Cedar Day.—On the first Wednesday of June, during commencement week, is a gala time, or Cedar Day. The classes of the college give stunts, songs are sung, the May Pole is celebrated. An oration is delivered. Baseball is played with a team of some visiting college. Colors are unfurled. People gather by the thousands from far and near. It is the popular day of the year.

Commencement Day.—The crowning day of the year is the first Friday of June. The hour is ten o'clock in the morning. The place is the Cedarville Opera House. A large concourse always greets the graduates to give them well wishes for the future.

Opening Day.—The opening day of the year is another attraction for the public as well as the students. The opening day this year is Wednesday, September 9 at 8:00 A. M. The exercises will consist of devotions, an address, good music, and the organization of the school for the year. All are welcome.

PUBLICATIONS

College Bulletin.—The College Bulletin is issued monthly from the College Office. In addition to the purely college matter, it contains alumni news and student news. Students, alumni, and friends can render valuable service to the college by sending names and addresses of prospective students and also names and addresses of men and women of means who are willing to give to the support of a Christian college. Any sum will be gladly received, thankfully acknowledged, and wisely used.

ATHLETICS

Athletic Field.—The athletic field has a foot-ball grid-iron, a baseball diamond, and a double tennis court. Basketball is played in the gymnasium.

Games.—The teams of Cedarville College play tennis, basket-ball, and baseball with teams of other colleges. Trips are taken throughout the seasons. Two physical directors, one for men and the other for women, have charge of all activities.

Physical Education.—Besides the field work mentioned in the above item on athletics, classes in coaching, hiking, gymnastics, and calisthenics are offered each semester. At least two years of physical education are required of candidates for degrees. All Freshmen and Sophomores are required to take physical education.

FUNDS

Income.—The annual income of Cedarville College comes from five sources, namely (1) the tuition fees from students, (2) interest from the productive endowment, (3) voluntary gifts from individuals, (4) contributions from congregations of the Reformed Presbyterian Church, General Synod, and (5) from several congregations in the Presbyterian church, U. S. A.

Endowment.—The total amount of the productive Endowment of Cedarville College is \$242,000. To this should be added two funds of the Reformed Presbyterian Theological Seminary amounting to \$75,000 from whose income the college benefits annually. The two funds total the sum of \$317,000. Cedarville College is now seeking to add \$300,000 to the present endowment. Friends are urgently asked to contribute gifts in money, checks, real estate, annuities, stocks, bonds, and bequests. Large and small sums will be thankfully received, carefully invested, and only their annual income wisely used. Friends may be assured that their gifts will be safely invested.

MAINTENANCE FUND

In order to meet the current expenses of Cedarville College, a fund of \$5,000 over the income from the Endowment Fund must be raised for 1936-1937. Cedarville College depends upon friends and churches to contribute this amount. We appeal to every reader of this paragraph to give to Cedarville College what you can.

NEEDS OF CEDARVILLE COLLEGE

Cedarville College will need over and above its income for current expenses in 1936-1937:

1. Additional endowment to meet the requirements of the various collegiate and university associations.
2. A dormitory for girls.
3. A combined administration building and chapel. Monies and gifts to a Christian College like Cedarville are an eternal investment for incalculable good.
4. \$5,000 for a Maintenance and Expansion Fund to enable it to meet current expenses and to secure additional endowment.

EXPENSES TO A STUDENT

Expenses at Cedarville are probably as low as can be found anywhere in the United States and are much lower than in many other places. Expenses for clothing, laundry and sundries vary greatly with the individual, who can, therefore, better estimate them for himself. College fees, boarding, room rent and cost

of text-books vary with the locality. Consequently, the following estimates are based upon these items. In the years in which science courses are taken, from twelve to twenty dollars must be added for laboratory fees, and a deposit of five dollars for breakage in courses in chemistry.

EXPENSES FOR A YEAR

Tuition	\$150.00
Books (estimated)	15.00
Furnished Room, lighted and heated	72.00
Boarding (estimated)	144.00
Total	\$381.00

(Student Activity Fee to be added to above according to class.)

Freshmen	\$ 5.00
Sophomores	6.00
Juniors	7.00
Seniors	8.00

In case a student takes a course in Science, the following fee is charged for laboratory materials:

Beginning Sciences	\$ 12.00
Advanced Sciences	20.00
Breakage Deposit	5.00

(Fees for Courses in Education)

Practice Teaching, elementary or high school	10.00

Pipe Organ, two lessons a week	45.00
Piano, one lesson a week	21.00

History of Music, two lessons a week, (in class)	8.00
Theory of Music, two lessons a week, (in class)	8.00
Graduation fee in all courses	5.00

In case of students compelled by sickness or other unavoidable circumstances to leave the college before the end of the Semester, rebates will be granted as follows on the tuition fee only: Before the end of two weeks, 80 per cent; before the end of four weeks, 60 per cent; before the end of six weeks, 40 per cent; after the sixth week no rebate will be made. No rebate will be made to students who are "dropped from the rolls."

The tuition fee for students entering the college late in the semester shall be \$5.00 a week.

Students carrying less than eight hours a semester shall pay \$5.00 a credit.

Special Opportunity.—Cedarville College by economy and sacrifice offers a college education of high type at the lowest possible cost. Students from a distance can meet all of their expenses from \$300 to \$400 a year or a little over \$8 a week. Students who are residents of Cedarville or nearby districts, towns and cities can meet all of their expenses at about \$175 a year. These expenses include tuition, board, furnished, heated and lighted room and books for students at a distance; and tuition and books for students who are residents of Cedarville or places nearby.

RULES AND REGULATIONS

A Book of Rules and Regulations has been adopted by the faculty and students for the good order of the school. This book covers attendance, absences, athletics, grading, recitations, lectures, chapel, honors, conduct, etc. It may be obtained on request.

Supervision of Women.—All non-resident girls are under the direct supervision of the Dean of Women and are responsible to her for their conduct.

Attendance.—All students are required to be punctual and regular in their attendance at chapel, recitations, and all other exercises of the College.

2. No excuses are granted for absences from any recitations, tests, or examinations. All students will be held responsible for any work missed on account of absence.

3: Students shall be allowed as many absences from any subject during a semester as the subject recites a week plus one without deduction as provided in rule 5.

4. Absences on the first and last regular recitation days of each semester, on the recitation days immediately preceding and following all holidays and vacations and on the day of Prayer for Colleges shall count double.

5. For each eighteen absences over the number allowed one credit shall be deducted from the total number obtained during the semester, and for any smaller number a proportionate deduction shall be made. The several amounts of credits deducted shall be added together and if the total amount comes to one or

more whole credits, they shall be deducted from the number of credits obtained in one of the studies pursued during that semester. The registrar shall determine as to the study from which the credit shall be deducted but the student affected may request that the credit be deducted from some other study taken in the same semester. If the amount deducted does not come to a whole credit, the fraction shall be carried over until it amounts to a whole credit. All other fractions of deducted credits shall in like manner be carried over from semester to semester till they come to a whole credit.

6. Three tardy marks shall be counted as one absence.

7. At each faculty meeting each instructor shall report the number of times he was tardy or absent, or dismissed classes before the time for dismissal.

8. Students entering the college late in the semester may earn a total of not more than one credit for each week of their attendance. In such case the student shall pay a tuition fee of \$5.00 a week.

9. Absences from Chapel shall count the same as absences from classes. Professors appointed by the President of the College will keep a record of chapel absences.

Discontinuance of Studies.—1. No student shall be allowed to discontinue any study for which he has registered without permission of the President. In case a student discontinues a study without such permission he shall be given a grade of F in that study.

2. Permission to discontinue a study shall not be given merely because the student fears that he will fail or not make a good record in that study.

3. No permission to discontinue a study shall be given during the last four weeks of a semester unless for very serious reason.

4. Any professor or instructor may dismiss a student from class for unsatisfactory work or misdemeanor.

5. All students who are dismissed or discontinued from classes must be reported immediately by the professor in charge in writing to the Registrar.

6. All changes in classes in any way whatever must be reported to the Registrar immediately. If the student is not properly registered in the college office in each study he is carrying, he will receive no credit in such study or studies.

GRADING AND CREDITS

In all courses students are graded according to their scholarship by the use of the following symbols: A, denoting excellent; B, denoting good; C, denoting fair; D, denoting passing; and F, denoting failed. The comparative merit of tests, examinations and all other exercises, as well as the final standing of the student in any course, are indicated by the use of the same symbols. A equals 93-100; B equals 85-92; C equals 78-84; D equals 70-77.

Semester-Hour.—In all of the courses, credit is counted by the "semester-hour." A "credit" or "semester-hour" is one recitation, lecture, or laboratory period a week for one semester. A student completing the work required in fifteen such periods a week for one semester receives credit for fifteen semester-hours, and if such work is continued for a full year and satisfactorily completed, he receives credit for thirty semester-hours which is considered full work for one year. A semester is eighteen weeks or one-half of the academic or collegiate year of nine months.

Required Merit Points.—In every course in the collegiate department as many merit points are required for graduation as credits or semester-hours. For grade excellent, three points for each credit are awarded; for grade good, two points; for grade fair, one point; for grade passing, no points.

The maximum number of points that can be secured by a student graduating in a course which required, for example, 120 credits is 360; the minimum 120. It is evident that an average grade of fair is necessary for graduation. Students who by reason of grade of passing fall behind in the required number of points, are ineligible for graduation. By the use of points a student may readily determine the quality of progress he is making in his course.

Commencement Honors.—A student who wins eighty per cent of the maximum number of merit points obtainable in his course will be graduated *cum laude*, "with praise"; one who wins ninety per cent of the maximum number obtainable in his course, will be graduated *magna cum laude*, "with great praise"; and one who wins the maximum number obtainable in his course, will be graduated *summa cum laude*, "with the highest praise." The maximum number of merit points obtainable in any course is three times the number of credits or semester-hours required for graduation in that course.

Honor Society.—In 1920 an honor society, called the Cedarville College Crown Club, was established, to which members are elected by the faculty on the basis of excellence in scholarship. (1) A Junior or Senior who for two semesters,

not necessarily consecutive, has acquired a grade of A in all of his studies may be elected to membership in this society. (2) or one who in four semesters has obtained not more than one grade of B for each semester, all other grades being A, may be elected to membership. (3) A student may be elected to membership upon graduation after a full four-year's course, provided he has no grade below B and three-fourths of his grades are A. (4) Students who have taken part of their college course in other institutions are eligible to the society by either of the first two standards given above, but not by the third. Upon election to this society the student is presented with a gold pin in the design of a crown similar to that in the seal of the College, and bearing the letters C. C. C. C.

The following are members of C. C. C. C.

In the above curriculum, the electives must include college requirements, majors and minors as specified for the Arts Curriculum.

A Major Study (a study selected by the student and consisting of three years of collegiate work in some subject of study ordinarily taught in secondary schools, for instance, English, Latin, Biology, or History). In order to major in any subject, the student must have the prerequisite high school units required by the Department of Education of the State of Ohio. The following are the number of units prerequisite to each study: English (public speaking, literature, rhetoric) 3; history (political science, civics) 2; social science (economics, sociology, ethics, philosophy, logic) 1; biological science (biology, zoology, botany, physiology, agriculture) 1; physical science (physics, chemistry) 2; earth science (geology, geography, physiography) 1; mathematics (algebra, geometry, trigonometry, astronomy, statistics, etc.) 2; French 2; German 2; Greek 2; Latin 4. One semester of collegiate credit in any subject may be offered in lieu of each unit of the high school prerequisite in that subject, except in Latin.

Two Minor Studies (consisting of two years of collegiate work in subjects of study ordinarily taught in secondary schools). The same requirements as to prerequisite high school units apply to the minor studies as to the major study, as stated above. Required work as well as elective may be counted toward the major and minor studies.

Elective studies in addition to those specified above to an amount sufficient to make a total of one hundred and twenty semester hours.

The completion of the above curriculum secures the A.B. degree from Cedarville College, and the Four-Year State Provisional Certificate.

DEPARTMENT OF MUSIC

MRS. MARGARET JAMIESON WORK, Director

Although Cedarville College does not grant a teacher's certificate in music, it does offer a collegiate course in theoretical and applied music for those who show special talent along this line. A student may earn a Bachelor of Arts degree with a major in music, if he shows sufficient musical ability and completes the requirements.

The courses of music are of professional character in that they aim to give the student a sufficient rounded training to qualify for pursuit of musical activity as a career, but they also make a strong appeal to the musically interested amateur as of great cultural value. For those who do not desire to take the complete music course, but who give satisfactory recitals and finish the required theoretical work, a diploma in music will be given.

Music as an elective toward the B.A. or B.S. (not the major or minor) may count 8 semester hours and may be entirely theoretical or both theoretical and applied, 4 semester hours of the former and 4 semester hours of the latter. Applied music alone is not credited for either of these degrees.

APPLIED MUSIC

Piano.—Junior Department. Students who have had no previous musical training may take private lessons. Credit is not given for this training until the student has gained a certain amount of proficiency. School children are given careful training. They appear on recitals three times a year.

Collegiate Department. Students who show a talent for music, and who show an ability equal to three years of preparation may enter this department for credit from the college. Thorough training in scales, a course in Etudes from Czerny to Clementi's *Gradus ad Parnassum*, Bach's *Well-tempered Clavichord*, Etudes and Preludes of Chopin, sonatas of Beethoven, selections from the Romantic and Modern composers are used during the four years to develop an ability for public performance and to acquaint the student with the best piano literature.

Voice.—Junior Department. A course for younger students whose voices have not fully developed. In order that the voice may develop naturally without strain or injury to the voice, simple exercises for breath control, freedom of the articulating organs and resonance of tone are given.

Collegiate Department. Admission to this course will be based largely on the vocal equipment and aptitude of the student. Entrants must be able to play a simple accompaniment. Vocalises by Sieber and Concone, folk songs, German lied, operatic and oratorio arias, study of the recitative, American, English, French, Italian and classic German songs, are used to aid the student in forming a repertoire for the home, church or concert stage.

Pipe Organ.—Pre-requisite. Intermediate piano course or its equivalent. Pedal studies by Schneider, Bach's Preludes and Fugues, Guilman's and Widors sonatas, compositions by Baptiste, Lemare, Buck, Capocci, Mailly, Gounod, Dubois, Faure, Lemaigre, Salome, etc.

Acquirement of good pedal technique, good taste in hymn playing, ready sight-reading and accompanying are insisted on. The time required for completion of this course depends upon the aptitude of the pupil. For graduation and diploma, the student must give two public recitals.

CHORUS CLASSES

All college students are eligible to try out for the Mixed Chorus which rehearses twice a week. This is excellent training in part singing, in expression, and in the interpretation of the great choral works.

The Girls' Glee Club is open to all the girls of the college. This chorus rehearses twice a week. Three and four part music is used. Frequent public appearances of these choral groups are arranged.

A Male Quartette and a Girl's Quartette also rehearse twice a week. The members are chosen by the quality of their voices and their ability to do sight-reading. They represent the College at many public meetings.

RECITALS

Public recitals are given at intervals during the year. The benefit that pupils derive from playing in these recitals is inestimable.

Applicants for the Music diploma or the Bachelor or Arts degree with a music major, will present at least two recitals.

CEDARVILLE THEOLOGICAL SEMINARY

GENERAL INFORMATION

Location.—The Seminary is located in Cedarville, Greene County, Ohio, on the Pittsburgh, Cincinnati, Chicago, and St. Louis Railway, forty-seven miles southwest of Columbus, and seventy-three miles northeast of Cincinnati. It is eight miles northeast of Xenia, and twelve miles south of Springfield.

Relations With Cedarville College.—The Seminary is in close affiliation with the College which gives the students of the Seminary special opportunities. All of the courses and facilities of the college are open to them.

Buildings.—All of the College buildings, College Hall, Carnegie Library, Science Hall, and Alford Gymnasium, are used by the Seminary.

Library Facilities.—Students have access to four libraries—that of the Seminary itself, of Cedarville College, of Cedarville Township, and the State Department. These are housed in the Carnegie Library and in Science Hall.

Admission.—Students for the ministry from all Christian denominations are welcomed. Applicants for admission should come certified as students for the ministry by the proper ecclesiastical authorities, or presenting certificates of good moral character from responsible persons. High school and college diplomas or certificates showing the work done in preparation for the Seminary courses should also be presented.

The scholastic requirement for admission to the seminary is graduation from a high school of the first grade or preparatory work equivalent thereto. Students lacking in these entrance requirements may complete all required courses of study under the direction of members of the college faculty, when they may be entered in the theological seminary. It is earnestly recommended that all students for the seminary complete a collegiate course before entering the seminary, or before entering upon the active work of the ministry.

The Seminary Year.—The Seminary year is coterminous with the College year. It therefore begins its annual session

the second week in September and closes the third Friday in May. The examinations are held about the middle of May.

Religious Exercises.—Students are expected to be regular in their attendance at daily chapel exercises, to become members of the Y. M. C. A., and to attend all other religious services of the College and Seminary. The day of prayer for educational institutions is observed on the first Friday of February. Class exercises are opened with prayer by the instructor in charge, and closed with prayer by one of the students.

Fees.—There are no fees for matriculation or tuition in the regular seminary course, but the fee of five dollars is charged for the diploma of graduation. Students for the ministry under the care of presbyteries in the General Synod of the Reformed Presbyterian Church are also exempt from tuition fees in the College, but must pay a contingent fee of fifteen dollars per semester.

Expenses.—The cost of living is very low. It is the same as for students in the College.

Student Aid.—Students needing financial assistance can obtain the same from the Lamb Fund, upon recommendation of the proper authorities, by complying with the conditions stipulated in the donation of that fund.

ALUMNI ASSOCIATION

The Alumni Association was organized with the first graduating class in 1897. It has functioned ever since. It has increased in numbers and in usefulness to the college.

During this last year a number have contributed to the Maintenance and Expansion Fund of the college in sums ranging from five dollars up to one hundred.

We shall need not only their help but the help of the other members of the alumni during the coming year in order to raise a Maintenance and Expansion Fund of five thousand dollars to help meet the current expenses and to keep workers in the field for the permanent productive endowment fund.

The Alumni Association, in the near future, will organize centers in different localities in order to deepen the interest of its graduates and former students in the college.

OFFICERS AND COMMITTEES OF THE ALUMNI ASSOCIATION

The officers of the Alumni Association for 1935-36:

President, Rev. Clair McNeel, '29	Clifton, Ohio
Cor. Sec., Mrs. Marjorie Wright Peterson, '23	Frankfort, Ohio
Rec. Sec., Mrs. Helen Iliff Jacobs, '28	Cedarville, Ohio

EXECUTIVE COMMITTEE:

Miss Ina Murdock, '07, Cedarville, Ohio; Miss Wilda Auld, '32, Cedarville, Ohio; Miss Martha Waddle, '32, Woodstock, Ohio; Miss Eleanor Bull, '35, Pleasant Hill, Ohio; Miss Mabel Stormont, '17, Route 5, Xenia, Ohio.

HOW TO HELP CEDARVILLE COLLEGE

From time to time our friends are asking and seeking ways in which they may render the greatest service to Cedarville College. They realize the good work which Cedarville College is accomplishing and they desire not only to continue but to enlarge the sphere of Cedarville College. Allow us to propose the following ways to help Cedarville College:

First: BUY ANNUITIES

Cedarville College offers a Life Annuity Income Bond Plan. This gives an income for life, provides sure and safe investments, and makes the donor a sharer in the work of Christian education throughout his life and always thereafter and free from all worry about his holdings.

You can get an annuity bond by the investment of a sum of money with the Board of Trustees of Cedarville College and in return Cedarville College guarantees to pay you an income for life. The interest rates run from $4\frac{1}{2}\%$ at forty years of age up to 9% at eighty-five years of age. This life annuity bond is a legal contract signed by the officers of the Board of Trustees of Cedarville College. The interest on this bond is paid twice yearly during the life of the donor.

If you are interested, send for full particulars.

Second: BEQUESTS—For Personal Property:

Cedarville College has been largely aided by its friends leaving personal property or real estate or both in their wills to the college. Any one who desires to make a will in favor of the college should write that part of his will as follows:

"I do give, devise and bequeath to the Board of Trustees of Cedarville College the sum of _____dollars, (or _____shares of stock in the _____, or bonds, as the case may be, setting forth particularly what it is that is bequeathed)."

For Real Estate:

"I do give, devise and bequeath to the Board of Trustees of Cedarville College and its successors, forever, all that lot or piece of land (describing the property with care)." Special care should be taken that bequests be made according to the laws of the state governing them.

Third: OTHER WAYS TO HELP

a. By giving to the Maintenance and Expansion Fund. It will be necessary this year to raise five thousand dollars in order to meet the current expenses of the college in the way of up-keep, fuel, light, gas, water bills, salaries, and to keep workers in the field who are seeking funds for the permanent endowment of Cedarville College. Any sum from five dollars up will be gladly accepted for the Maintenance and Expansion Fund.

b. **ENDOWMENT.**—Cedarville College is endeavoring to raise an additional three hundred thousand dollars for its permanent endowment fund. Any sum of money or piece of property or bond or stock will be gladly received and put into this fund.

c. **LIBRARY.**—Cedarville College needs appropriations of money and of books for its library. We shall be glad to correspond with any one who is inclined to give either or both for library purposes.

For full particulars in regard to all these ways of helping Cedarville College, address W. R. McChesney, President, Cedarville, Ohio.
